Pupil Premium Impact:

PP does not completely pay for all the support listed above but with subsidy from the main school budget, it ensures continuation of a good level and mixture of support.

All the PP children who were/are KS2 pupils, benefited from the additional full time TA support not just with their learning but also by providing valuable emotional support which helped to keep pupils on task. See SATs and tracking results

Effective monitoring through achievement data, pupils' work, observations, case studies and the views of pupils and staff mean that interventions and approaches can be changed or adapted quickly if they are seen to have low effectiveness.
