The children will be able to enjoy their new Active Trail on the school field. We can't wait to see and share their excitement. Children need to have suitable outdoor footwear so they are safe on the apparatus.

Enjoy a relaxing Easter holiday.

Courage

The Christian core value next term will be Courage. We will enjoy reflecting on Bible Stories that help us to understand the meaning of good courage.

Red Skippers

What an amazingly interesting and exciting term. Starting with our school trip to The Hippodrome, learning about the history of the circus, writing stories, creating information books, exploring forces and movement and counting, adding, subtracting, multiplying and dividing —so much learning!

Red Nose day was so much fun! All the children enjoyed the running followed by an obstacle course, and we raised lots of money for Comic Relief.

Something new on the horizon. We are installing an electric cooker so that we can further develop our curriculum to include more cooking experiences.

Congratulations and thanks to Mrs Wall who has worked at Neatishead Primary School for 25 years this week — true dedication.

All children need to have their p.e kit in school including footwear for p.e on Tuesdays. School will no longer supply spare clothes except in an emergency.

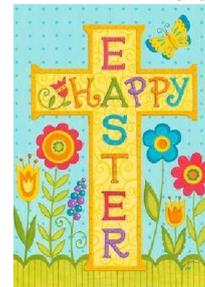

Thanks to Revd. David and his team together with the volunteers. We enjoyed 'The Easter Experience' at Neatishead Church.

Red Skippers

We ended our term by sharing the Easter story, making crosses using lots of different materials, baking chocolate nests and singing Easter songs.

Happy Easter from all of the Red Skippers

Meet the Governor

"I was elected as a Parent Governor in 2015 and the following year 2016, I became the chair of the governing board.

As my children have attended Salhouse, most of my experiences have been there. This is something I would like to address in the coming months and I am looking forward to spending more time with the staff and pupils at Neatishead to get to know them better as well as continuing to strengthen my ties with Salhouse.

I am looking forward to continuing the work as a governor and to offer full support to the Headteacher and the school where required"

Face Painting

Thank you to parents and Genna who helped to make our Face Painting Café such a success. We appreciate your kind words, feedback has been posted on our school website. ☺

Many pupils met with Councillor Judy Leggett. We are seeking faster broadband for the school. We hope to have some good news soon.
