Policy for Looked After Children (LAC)

As Church of England schools for all children our ethos is to fully support looked after pupils as inclusively and comprehensively as possible. Neatishead Salhouse Fleggburgh Federation believes that in partnership with Norfolk County Council (and other local authorities) as Corporate Parents we have a special duty to safeguard and promote the education of Looked After Children.

Designated Teacher for Looked After Children: Salhouse – Julie Church

Neatishead – Laura Davies Fleggburgh – Ingrid Rounce

Governor with responsibility for Looked After Children: Jane Gay

Looked After Children are one of the most vulnerable groups in society and it is nationally recognised that there is considerable educational underachievement within this group, when compared to their peers. The majority of children who come into care are there because of abuse or neglect, domestic violence or parents' drug related issues. As a school we recognise that outcomes nationally for Looked After Children fall well below national averages and we understand and support the government agenda to address this disparity.

We aim to:

- Give priority to education;
- Listen to children;
- Provide stability and continuity;
- Taking corporate responsibility;
- Promote inclusion;
- Raise standards;
- Celebrate success.

The governing body is committed to providing high quality education for all its pupils based on equality of access, opportunity and outcomes. This policy includes requirements set out in "Statutory guidance on the duty of local authorities to promote the educational achievement of looked after children under section 52 of the Children Act 2004" (November 2005), the revised guidance under The Children Act 1989, Care Planning, Placement and Case Review (March 2010), the Statutory guidance for governing bodies 2009 and associated guidance on the education of looked after children. We aim to give looked after children within our school the best opportunities and support to be safe and healthy, to achieve in education and their career, and enable them to play an active role in their community.

Above all, as corporate parents we will preface all our thinking, planning, actions and decisions with: "If this were my child I would " The aims of the school are to:

- Ensure that school policies and procedures are inclusive of Looked After Children;
- Ensure that all Looked After Children have access to a broad and balanced curriculum and this includes the provision of a differentiated curriculum appropriate to the individual's needs and ability;
- Ensure that Looked After Children take as full a part as possible in all school activities including extra curricular activities;
- Ensure that carers and social workers and the Virtual School Headteacher for Looked After Children are kept fully informed of their child's progress and attainment, attendance and transition arrangements;
- Ensure that appropriate intervention strategies are put in place when there is concern about a child's lack of progress;
- Ensure that Looked After Children are involved, where practicable, in decisions affecting their future provision;
- Ensure all staff are aware of the needs of Looked After Children and appropriately trained to support them.

Who are Looked After Children?

Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. They fall into four main groups:

- Children who are accommodated by the Local Authority under a voluntary agreement with their parents (section 20)
- Children who are the subject of a care order (section 31) or interim care order (section 38)
- Children who are the subject of emergency orders for their protection (sections 44 and 46)
- Children who are compulsorily accommodated – this includes children remanded to the local authority or subject to a criminal justice supervision order with a residence requirement (section 21)

The term "in care" refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989. They may live with foster carers, in a Children's home, in a residential school, with relatives or with parents under supervision. Children who are cared for on a voluntary basis are "accommodated" by the local authority under section 20 of the Children Act. They may live in foster care, in a Children's home or in a residential school or they may be fostered with family members. All these groups are said to be "Looked After Children" – LAC.

Monitoring the progress of Looked After Children.

The Virtual School for Looked After Children will initiate an ePEP which the social worker and designated teacher for LAC will complete together. Wherever possible the looked after child should be actively involved in determining their plan. It is vital that the school assesses each looked after child's attainment on entry to ensure continuity of learning and progression. The school will monitor and track the achievement and attainment of all Looked After Children at regular intervals and will provide the Local Authority with termly information in line with the Virtual School pupil tracking system. The school will put in place intervention strategies to support underachievement and provide appropriate challenge for the most able pupils in order that pupils are helped to fulfil their potential. The school will inform the Attendance and Exclusion Service of any concerns regarding attendance and, if necessary, liaise with the service regarding all matters relating to fixed term exclusions. Looked After Children will require their ePEP to be reviewed, according to their needs, as initiated by the Independent Reviewing Officer (IRO) or social worker, and the young person's views should be sought by the Designated Teacher and noted on the ePEP.

The Governing Body will hold the school to account for the progress and attainment of looked after children.

Transition

The school will ensure that all stakeholders are provided with the appropriate information, advice and guidance to support the smooth and effective transition of Looked After Children and young people at all key stages.

Record Keeping

The Designated Teacher will know the names of all the Looked After Children in school and will have access to their relevant contact details including parents, carers and social worker. The designated teacher will also know about any Looked After Children from other authorities who are attending the school. It is important that the school indicates Looked After Children status appropriately in the school's information systems so that information is readily available as required. Information regarding Looked After Children will be stored securely.

Staff Development

Staff will be enabled to attend courses that help them to acquire the skills needed to support looked after children and disseminate this professional development to all relevant staff. Part of the Designated Teacher's role is to be the focal point in the school for all issues associated with Looked After Children.

Partnership with Parents/Carers and Care Workers.

As a school we firmly believe in developing a strong partnership with parents/carers and care workers to enable looked after children to achieve their potential. Review meetings, which take place at least every six months, are an opportunity to further this partnership working.

Links with external agencies/organisations

We also recognise the important contribution that external support services make in supporting looked after children. Colleagues from the following support services may be involved with individual Looked After Children:

- Educational Psychologists and others from Local Authority SEN services
- Medical professionals
- School nurses
- CAMHS
- Attendance and Inclusion Service
- Social care worker/Community care worker/Residential child care worker
- Youth Offending Service

Reporting to the Governing Body

In line with the statutory guidance (The role and responsibilities of the designated teacher for Looked After Children - Statutory guidance for governing bodies) the designated teacher will provide the governing body, as a minimum, with an annual report on the progress of looked after children and young people.

Review and Evaluation of LACYP Policy

We consider the Looked After Children and Young People Policy to be important and we will undertake a thorough review of both policy and practice with key stakeholders each year.
