

# Gatekeepers class

## Week beginning: Monday 7<sup>th</sup> December 2020

### We Wish you a Merry Christmas

We wish you a merry Christmas,  
We wish you a merry Christmas,  
We wish you a merry Christmas,  
And a Happy New Year!

Good tidings we bring,  
To you and your kin.

We wish you a Merry Christmas,  
And a Happy New year!

We all want some figgy pudding,  
We all want some figgy pudding,  
We all want some figgy pudding,  
So bring it right here!

### English

We have rehearsed our poem 'Peeking through the curtains' and performed it with matching actions.

We have developed our comprehension and inference skills by looking at a picture of the day. We have answered questions, thought of 'I wonder statements' and improved 'sick' sentences. We have used the pictures to write a short paragraph.

### Maths

We have had lots of Christmas themed Maths activities this week.

We have used our knowledge of arrays to sort parcels on Father Christmas's sleigh and made addition snowmen. We have also made bar charts to show our favourite Christmas songs.

### Topic

In RE, we have looked deeper into the Christmas Story and compared how we celebrate Christmas in our own homes.

In ICT, we have used the google Santa tracker site to practice our coding skills. We have also explored other fun games on this site to improve our laptop keyboard skills.

In Art, we have used Mrs Ferrier's video to make winter snow scenes.

### Important information

There will be no set homework until after Christmas but please continue to read at least three times a week and use the doodle apps at least once a week.

### Reminders

Last day of term is **Thursday 17<sup>th</sup> December**  
Outdoor learning will start every Friday from 8<sup>th</sup> January. You should have received an email with more information on this ☺
