

Neatishead Weekly Update

21st

2022

The term is progressing well and happily for children and staff alike.

This week, we have had a focus on Art when children have been painting stunning self-portraits as part of a joint project with Salhouse and Fleggburgh. This project is linked to our ongoing work on exploring anti-racism. We look forward to sharing the end results with you.

We have welcomed a number of visitors into school this week and they have all left feeling inspired by the warmth and enthusiasm of your children. The children do say the loveliest things when they are asked about their school and learning.

Enjoy your weekend,

Julie

Gatekeepers -
Wednesdays

PEACOCK CLASS

Children in Peacock Class have made motorised vehicles and then raced them.

Photo's are available to see on the school website.

Friends of
Neatishead
School (**FONS**)
would like to
thank everyone
for their support
and generosity
with Christmas
raffle. We raised
over £150, which
is fantastic!!

Thank you again.

The children enjoyed making their Christingle Oranges and learning about the meaning of Christingle.

Thank you to Pauline, Rev'd David, Rev'd Taylor and Rev'd Neville for making it a wonderful service.

Governor's Visit

What a warm welcome received today at Neatishead. My visit lifted me. Meeting such a motivated and enthusiastic group of children and seeing those qualities replicated in all the teachers and support team was quite inspirational. Thank you for taking the time to show me around and introduce everyone to me. Please extend my thanks to all those working today and also to those not. I hope to meet them all another time.
