

## Neatishead Update

Dear parents and carers,

There is never a dull moment at Neatishead! To illustrate my point, on Wednesday we had a special visitor, a peacock who had made its way from How Hill. The children were excited, although Mrs Andrews wasn't too happy to see it pecking at the lupins!

You may or may not know, we now have a fenced in pond area and new raised beds to enrich our outdoor curriculum. Children have the opportunity to learn about gardening and growing fruit and vegetables. Important skills for children to develop. Next Tuesday, we look forward to going to Salhouse for the morning. All three schools in the federation will join forces for a federation music festival. There is a packed programme showcasing our love for singing and the musical talents of children and adults within our school community. We will post pictures on the website.

There is always something to look forward to. Have a good weekend!
