

Neatishead Update

May 2025

Dear Parents,

I can't believe we are half way through the summer term!

Last week our Year 6 pupils did a brilliant job when taking their KS2 SATS. I would like to thank Mr Murphy and the team here at Neatishead for preparing the children so well. The children coped amazingly well and should feel proud of their efforts. I would also like to thank you for your support with revision at home.

The second part of the summer term is always incredibly busy and we can look forward to some exciting activities and experiences.

I hope you all have a lovely half term. Let's hope the sun shines!

Hayley Sonnex
Executive Headteacher
Neatishead Salhouse Fleggburgh Federation

Looking ahead

Monday 2nd June – Children return to school

Week beginning 2nd June – Year 4 multiplication tests

4th June – Reception vision & hearing checks

Week beginning 9th June – Year 1 Phonics Screening

27th June – Year 6 induction morning at Broadland High Ormiston Academy. Separate letter has been sent from Broadland High
9th – 11th July – Year 5 & 6 Residential Trip

15th July – Sports afternoon

18th July – FONS BBQ

22nd July – Year 6 leavers assembly – 1.30pm

22nd July – Break up for Summer

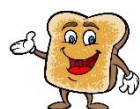

Parking

Please could all parents/carers give consideration to local residents when parking near to the school. Please use the car park at the playing field when possible.

Breakfast club is growing in numbers and runs from 7.30am – 8.30am. Sessions are £5. Invoices are sent at the end of the month. Please contact the office to book spaces in advance where possible so we can keep up to date with numbers.

*We ask that children **DO NOT** bring their own food in for breakfast. Toast & cereal are always available.*

General reminders

School starts at 8.30am

Children need appropriate clothing to suit the weather. Please could we remind girls to wear shorts under skirts & dresses.

Snacks must be healthy and nut free.

We expect all children to come to school in full school uniform and wearing school shoes. PE kit is also part of our uniform so should be black, white or red, without branded logos.

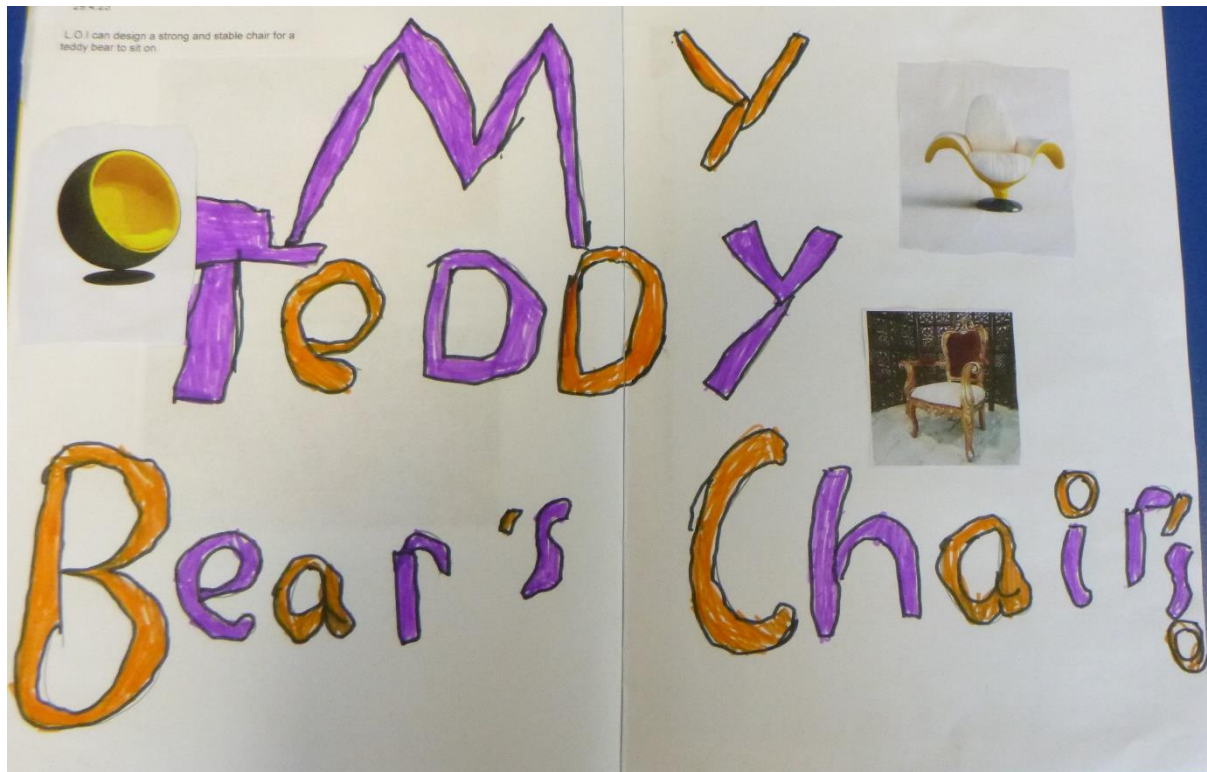

Peacocks Class

We conducted our ice experiment to observe the circumference of our spheres. The children are to edit their own video during computing lessons.

Gatekeepers Class

Gatekeepers have been busy this half-term around their topic of A Place Called Home. The children are really enjoying designing and making chairs for their soft toys in advance of our Teddy Bear's Picnic on Friday 27th June. They have also enjoyed writing around the subject of imaginary friends and learning about grams and kilograms in maths.

Red Skippers

Red Skippers have loved learning about Amazing Africa. They have discovered that Africa is a continent with 54 countries and that is almost half covered in savannah. The children have been finding out about animals which live in Africa and we found out that a group of zebras is called a dazzle and a group of giraffes is called a tower! They have also compared Neatishead to a small village in Africa. We look forward to more exciting learning after half term!

Eco-Committee

We have been very busy over the last few weeks in Eco committee. Here are some things we've been working on:

- leading assemblies on climate change and healthy living
- creating a video for the Royal Norfolk Show project (see our school website for further information)
- our entry for the Green Education and Sustainability Competition (see photo)
- looking into the Anglian Water eco award and we've been talking to a representative from Anglian Water
- working towards our 2nd Eco schools green flag award
